PRESENT

D EDICATED TO . . .

Mr. Bixby

We are proud to dedicate the 1962 Manuscript to Mr. Britton Bixby.

During our high school career, he has freely given his time and energy to promote school and class projects.

The many things that he has done for this graduating class, his desire to see us successfully through our high school years, were motivated by his genuine concern for individuals and their problems, and his desire to help people work out their difficulties, has elevated him far above his official position as teacher.

ADMINISTRATION

Mrs. Bixby

Mrs. Love

Miss Kingsley

School Board

Class of 1962,

Congratulations to you, your staff and advisers on a very fine yearbook.

It is one thing that you will always cherish even though you might live in a world torn by dissention, steeped in fear and trembling in the shadow of the H bomb.

If everyone would do his part, using his special talents and knowledge, then the world would be a better place. Each one of you has something that no one else has, and none of us lives for self alone.

Everyone must make up his mind, if he wishes to help mold a better place in which to live, that he must give an honest return for the talent he has; and if he wants to reach the top, he must do more than is required of him.

Sincere best wishes to each of you.

T. R. Besanceney

On the thirteenth day of April, 1912, the School Boards of Mansfield, and Richmond Township entered into an agreement to form a Joint School District and to establish a high school in Pennsylvania. The first graduating class, numbering three, graduated in the Spring of 1913.

Since that time hundreds of boys and girls have graduated from this high school. Many of them have been outstanding in various fields of endeavor and nearly all have been fine citizens.

I congratulate you as you join this fine group of graduates and I am sure you will uphold and increase the service that Mansfield graduates have given to their community, state and nation.

Senior Prom

Miss Cheryl Lyn Dickinson was chosen "Queen of Shrangra-La" at the Senior Prom which was held on December 29, 1961. She and her escort, George Hoerr, led-off the Queen's Dance to music provided by Jerry Kehler and his orchestra.

Multi-colored decorations transformed the gymnasium into a Japanese paradise. A rick sha in the center of the floor was encircled by streamers suspended from the lowered ceiling. "Geisha Girls" served the refreshments at intermission.

The Future Homemakers of America, a national organization that provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking.

Under the capable guidance of Mrs. Mary Brace, this local chapter has successfully completed another year with "Service to Others" as the goal. Among various projects there have been:

Packing and sending clothes to "Save the Children's Federation", cleaning toys and dressing dolls for the child-welfare, taking baked goods to Broad Acres and taking an exhibit to the Bi-County rally at Galetton.

As a member of the State Convention last year the FHA took praise in winning second prize for the Red Rose Chapter Award.

The Future Farmers of America is the largest organization of farm boys in the world. The national organization was formed in 1928. The Mansfield Agriculture Department was one of the first ten departments in the state. It has grown until it is now one of the most active in Pennsylvania.

In addition to the many dairy and farm show awards won by various members, the Parliamentary Procedure Team of the Mansfield Chapter last year won first place in the county and region.

Senior Play

The Remarkable Incident at Carson Corners, a play in three acts by Reginald Rose, was presented on Wednesday, October 25, 1961, by members of the senior class. The cast consisted of 26 students, a very effective stage crew and student directors. The play was under the capable direction of Miss Gleckler.

Carson Corners High School was the scene of a murder trial. The defendant, a faithful school janitor, was accused of the death of one of the students. As the play unfolds, it is revealed that many of the respected parents of the community contributed unknowingly, to the death of the student, and that each parent and member of the audience realized that careless attitudes can lead to an unfortunate situation.

Soccer

This years soccer team was the most successful in the last few years. Under the capable guidance of coach Mr. Bixby, the "tigers" won 7 games, lost 2, and tied 1. They lost close games to Williamson and Elkland, but played well throughout the remainder of the season.

Varsity Basketball

The 1961-62 Tigers were one of the strongest basketball teams in the history of the school. With three games left in the regular season, Mansfield had piled up a 17-0 record. Under the direction of Coach Tocci, and paced by "Big Jay", the Tigers out classed their opponents by large margins.

Rebounding strength was given by Jack Baynes, "Bobby" Bennett, and Jay McMillen. "Sarge" proved to be a top defensive player and John McNaney launched the offensive attack with his outstanding ball-handling.

During the X-mas holidays, Mansfield played in the Notre Dame Tournament and went home with top honors, beating Watkins Glen (72-60) and Notre Dame (79-52).

Junior Varsity Basketball

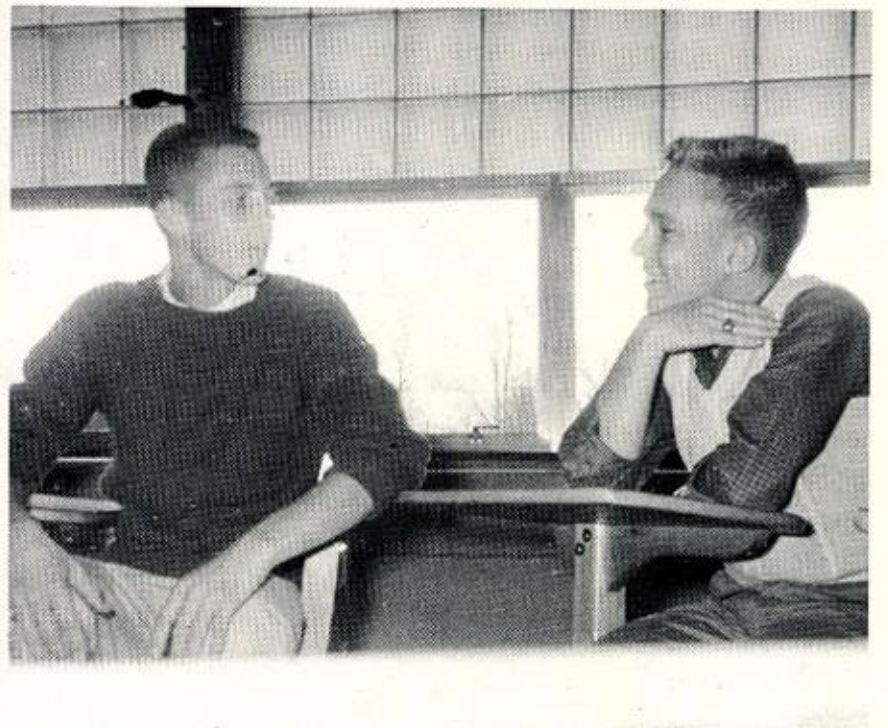

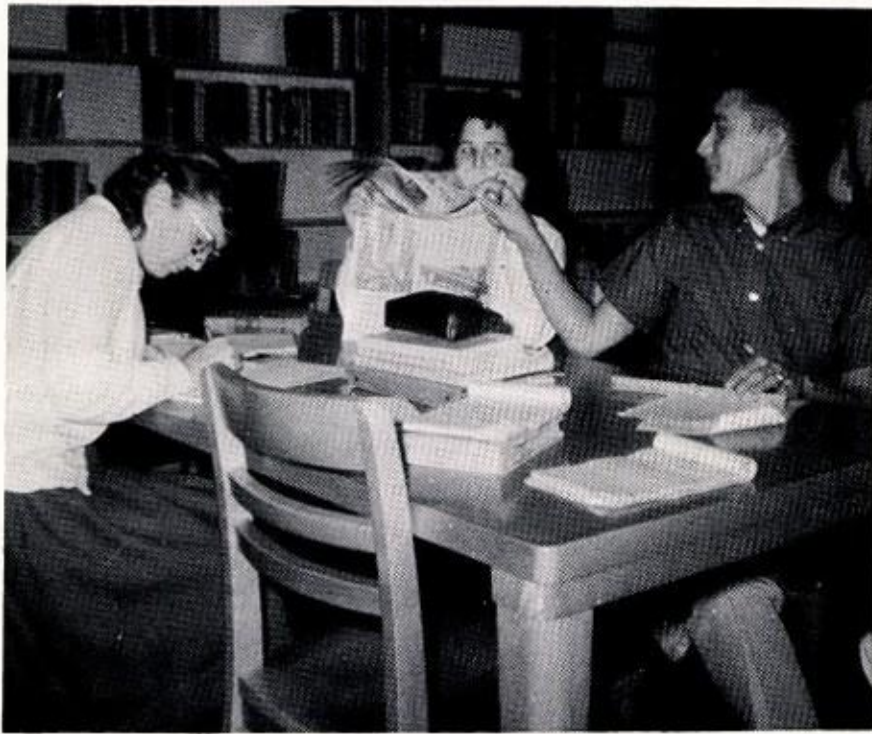

The 1961-62 "Tiger Cubs" did not have quite as good season as was expected. Handicapped by lack of sufficient height they finished third place in the Tioga County Junior Varsity League.

The boys looked very good this season, and have gained valuable experience which will help them in their future years of basketball.

Library Club

Under the direction of Mrs. Higley The Library Club is a service organization of the school which was formed this year. The club's members are all those who help with filing books and magazines, mending books, and all of the other jobs of a librarian. This club is sure to be of service to our school.
